therewith, an immigration quota for Ghana as hereinafter set forth:

NOW, THEREFORE, I, DWIGHT D. EISENHOWER, President of the United States of America, acting under and by virtue of the authority vested in me by the aforesaid act of Congress, do hereby proclaim and make known that the annual quota of the quota area hereinafter designated has been determined in accordance with the law to be, and shall be, as follows:

Area No.	Quota area	Quota

The establishment of an immigration quota for any quota area is solely for the purpose of compliance with the pertinent provisions of the Immigration and Nationality Act and is not to be considered as having any significance extraneous to such purpose.

Proclamation No. 2980 of June 30, 1952, entitled "Immigration Quotas", is amended by the abolishment of the annual immigration quota of one hundred established for the United Nations Trust Territory of British Togoland, and by the addition of the immigration quota for Ghana as set forth in this proclamation.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

PROCLAMATION 3189

IMPOSING A QUOTA ON IMPORTS OF RYE, RYE FLOUR, AND RYE MEAL

BY THE PRESIDENT OF THE UNITED STATES
OF AMERICA
A PROCLAMATION

WHEREAS, pursuant to section 22 of the Agricultural Adjustment Act, as amended (7 U. S. C. 624), the Secretary of Agriculture advised me that there was reason to believe that rye, rye flour, and rye meal are practically certain to be imported into the United States after June 30, 1957, under such conditions and in such quantities as to render or tend to render ineffective, or materially interfere with, the price-support program undertaken by the Department of Agriculture with respect to rye pursuant to sections 301 and 401 of the Agricultural Act of 1949, as amended, or to reduce substantially the amount of products

processed in the United States from domestic rye with respect to which such program of the Department of Agriculture is being undertaken; and

WHEREAS, on May 11, 1957, I caused the United States Tariff Commission to make an investigation under the said section 22 with respect to this matter; and

WHEREAS the said Tariff Commission has made such investigation and has reported to me its findings and recommendations made in connection therewith; and

WHEREAS, on the basis of the said investigation and report of the Tariff Commission, I find that rye, rye flour, and rye meal, in the aggregate, are practically certain to be imported into the United States after June 30, 1957, under such conditions and in such quantities as to interfere materially with and to tend to render ineffective the said price-support program with respect to rye, and to reduce substantially the amount of products processed in the United States from domestic rye with respect to which said price-support program is being undertaken; and

WHEREAS I find and declare that the imposition of the quantitative limitations hereinafter proclaimed is shown by such investigation of the Tariff Commission to be necessary in order that the entry, or withdrawal from warehouse, for consumption after June 30, 1957, of rye, rye flour, and rye meal will not render ineffective, or materially interfere with, the said price-support program:

NOW, THEREFORE, I, DWIGHT D. EISENHOWER, President of the United States of America, acting under and by virtue of the authority vested in me by the said section 22 of the Agricultural Adjustment Act, as amended, do hereby proclaim that—

(1) the total aggregate quantity of rye, rye flour, and rye meal which may be entered, or withdrawn from warehouse, for consumption in each of the 12-month periods beginning July 1 in 1957 and in 1958 shall not exceed 186,000,000 pounds, of which not more than 15,000 pounds may be in the form of rye flour or rye meal, which permissible total quantities I find and declare to be proportionately not less than 50 per centum of the total quantity of such rye, rye flour, and rye meal entered, or withdrawn from warehouse, for consumption during the representative period July 1, 1950, to June 30, 1953, inclusive, and

(2) during each such 12-month period, of the foregoing permissible total quantity, not more than 182,280,000 pounds shall be imported from Canada and not more than 3,720,000 pounds shall be imported from other foreign countries.

The provisions of this proclamation shall not apply to certified or registered seed rye for use for seeding and crop-improvement purposes, in bags tagged and sealed by an officially recognized seed-certifying agency of the country of production, if—

(a) the individual shipment amounts to 100 bushels (of 56 pounds each) or less, or

area established pursuant to the provisions of section 202 (a) of the said act, and to report to the President the quota of each quota area so determined; and

WHEREAS the State of Ghana came into existence on March 6, 1957, when the former British West African Colony of the Gold Coast was granted independence by the Government of the United Kingdom within the British Commonwealth of Nations, and at the same time the United Nations Trust Territory of British Togoland became an integral part of the State of Ghana; and

WHEREAS the Secretary of State, the Secretary of Commerce, and the Attorney General have reported to the President that, in accordance with the duty imposed and the authority conferred upon them by section 201 (b) of the Immigration and Nationality Act, they jointly have made the determination provided for and computed under the provisions of section 201 (a) of the said act, and have fixed, in accordance

(b) the individual shipment amounts to more than 100 bushels (of 56 pounds each) and the written approval of the Secretary of Agriculture or his designated representative is presented at the time of entry, or bond is furnished in a form prescribed by the Commissioner of Customs in an amount equal to the value of the merchandise as set forth in the entry, plus the estimated duty as determined at the time of entry, conditioned upon the production of such written approval within six months from the date of entry.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this 27th day of June in the year of our Lord nineteen hundred and [SEAL] fifty-seven, and of the Independence of the United States of America the one hundred and eighty-first.

By virtue of the authority vested in me by the Government Employees' Incentive Awards Act, approved September 1, 1954 (68 Stat. 1112), and as President of the United States, it is ordered as follows:

SECTION 1. There is hereby established an honorary award for the recognition of distinguished service by civilian officers and employees of the Federal Government. The award shall be known as the President's Award for Distinguished Federal Civilian Service, and shall consist of a gold medal, the design of which accompanies and is hereby made a part of this order, suspended on a ribbon of appropriate material and color, and accompanying appurtenances. Each medal shall be suitably inscribed, and an appropriate citation shall accompany each award.

SEC. 2. The President's Award for Distinguished Federal Civilian Service shall be presented by the President to civilian officers or employees of the Federal Government for exceptionally meritorious or outstanding civilian service performed in connection with or in relation to their official employment. Presentation of the award shall be made at such times as the President may determine; but not more than five awards shall be made in any one year. An award involving a group achievement shall be considered as a single award.

SEC. 3. There is hereby established the Distinguished Civilian Service Awards Board (hereinafter referred to as the Board), which shall consist of five mem-

bers, appointed by the President from the Federal civilian service. The Chairman of the Board shall be designated by the President from the membership of the Board.

SEC. 4. The terms of service of the members of the Board shall be four years, except that the first term of service of two of the original members, other than the Chairman, shall be two years instead of four years. Any member appointed to fill a vacancy on the Board occurring prior to the expiration of the term of his predecessor shall be appointed for the remainder of such term.

SEC. 5. The members of the Board shall serve as such without additional compensation. The Chairman of the Civil Service Commission, or his designated representative, shall serve as Executive Secretary of the Board, and the Civil Service Commission is requested to furnish the Board the necessary staff and other services.

SEC. 6. The Board shall advise and assist the President in the selection of persons to whom the award shall be tendered. In performing its functions, the Board shall carefully review recommendations submitted to it and decide which of them, if any, warrant presentation to the President, and shall transmit to the President, for his consideration, the names of those persons deemed by it to merit the award, together with its reasons therefor. Recipients for the award shall be selected by the President.

SEC. 7. Recommendations for the award may be made by the heads of executive departments and agencies. Each recommendation shall be made personally by the head of the department or agency in which the proposed recipient of the award is employed, and shall be submitted, with appropriate supporting material, to the Board for its consideration.

SEC. 8. The Board shall be guided in the performance of its functions by the provisions of subsections (b) and (c) of section 304 of the Government Employees Incentive Awards Act, and by criteria and procedures established by it with the approval of the President. Such criteria shall include, but not be limited to, the following:

(a) The significance and importance of the contribution to the Government or the public interest shall be so outstanding or exceptional that, in the opinion of the Board, the officer or employee is deserving of greater public commendation and official recognition than that which can be accorded by the head of the department or agency in which he is employed.

(b) Awards shall be made only to civilian career officers or employees of the Government, or to officers or employees whose Federal service, in the opinion of the Board, can reasonably be considered as career service.

SEC. 9. This order shall become effective on July 1, 1957.
